

*CISC is participating again in GiveBig!*

The Seattle Foundation will be launching its **2017 GiveBIG** campaign on **May 10<sup>th</sup>**. GiveBIG is a one-day online giving campaign that is part of a larger collective giving strategy to invest in the future of Greater Seattle. A one-day, online charitable giving event, GiveBIG is designed to raise money for the region's hard-working nonprofits (such as us!).

You can also pre-schedule your donation, beginning April 27<sup>th</sup>; this way you can give at a time that is more convenient for you. To make a donation, [click here](#).

Our goal this year is to raise **\$10,000** to support the many services that we provide. To find out more about what we are doing, visit our website at [www.cisc-seattle.org](http://www.cisc-seattle.org).

Please join us in helping to reach our GiveBig goal – to make a donation, [click here](#).
